A BETTER WAY TO TRAIN
AOPA FLIGHT TRAINING ADVANTAGE

AFTA is the game-changing, adaptive flight training system that replaces a traditional paper syllabus by automatically generating individualized lessons based on student performance.

WHY SHOULD STUDENT PILOTS AND THEIR CFIS USE
AOPA FLIGHT TRAINING ADVANTAGE (AFTA)?

- A tool to save time and money while getting more out of flight training
- Personalized and flexible lesson plans that automatically adapt to students' skill level
- Visibility into students' flight training progress at-a-glance or in detail, so they always know where they are in the training program
- Easy-to-find study and lesson-prep materials

- Anytime access to notes and grades from previous lessons
- Lesson feedback from every flight so students always know how they're doing and how they can improve
- Anywhere access to the school's digital learning resources
- An easy way to remember and share training highlights

AFTA is FREE for flight schools and CFIs. And it's **FREE** for students with an **AOPA** membership.
